

# MSMP 2024

## XVIII Mexican Symposium on Medical Physics

**Guanajuato City March 20-22 , 2024**

### **TOPICS:**

- **Physics of Radiotherapy Modalities**
- **Quantitative Medical Imaging and Processing**
- **Dosimetry and Radiation Protection**
- **Biological Physics and Physiological Measurements**
- **Biomedical Instrumentation**
- **Biomedical Signal and Data Processing**
- **Processing of Medical Images**
- **Bioimpedance and Bioelectricity**
- **Biomagnetism and Magnetobiology**
- **Novel Techniques in Imaging and Therapy**
- **Other Related Fields**
